Dear Andy,

Lancer JFK Resources has the English translation of Carlos Lechuga's In the Eye of the Storm. If you have it I'll get it. And will tell a few others who may want it. I do not know the US publisher.

If you get some orders for NEVER AGAIN! I've referred several people to you after they've told me it was not available where they live.

Some have told me that after their inquiry their stores got it. They said they'd ask again.

The reaction thus far is excellent albeit less than with Case Open, which had my address on it.

McGuirk wrote me the 10th in great excitement over it and over getting it so rapidly. He indicated there might be a little interest in Slections from Whitewash. I suggested he ask you if you have it and can fill orders on it.

Tony Frewin was pleased to get it so soon he told me.

Best to you both,

Harold
